Cookie Policy

To make this website work properly, and to provide the best possible experience to our site visitors, we place small data files called cookies on your device. This policy provides you with information about cookies and how to control them for this website.

What is a Cookie?

A cookie is a small text file that a website saves on your computer or mobile device when you visit the website. Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognizes that cookie, to develop a record of the user's online activity. Cookies on this site may be delivered in a first-party (set by VoipScan website) or third-party (set by another website) context and may also be set in association with emails you receive from us.

First-Party Cookies

- **Essential Cookies**. These cookies are essential for enabling user movement around our website. These cookies do not gather information about you that could be used for marketing purposes and do not remember where you have been on the internet. This category of cookies cannot be disabled. The table below provides more information about these cookies.

How to Control and Delete Cookies

1. **Consent Tool**
   The [Cookie Consent Tool](#) can be utilized to customize your cookie preferences. The tool will record when you have consented to our cookie policy and will ask for consent again every 90 days to ensure users stay up-to-date with changes to our cookie and privacy policies. The consent tool specifically controls the marketing cookies and analytical cookies set by using our website. Essential cookies cannot be disabled.

2. **Using Your Browser**
   Many of the cookies used on our website and through emails can be enabled or disabled through our consent tool or by disabling the cookies through your browser. To disable cookies through your browser, follow the instructions usually located within the "Help," "Tools" or "Edit" menus in your browser. Please note that disabling a cookie or category of cookies does not delete the cookie from your browser unless manually completed through your browser function.
